

### Nicholas: Website Feedback

#### Positive:

##### About Me!

✓ Testimonials are beautiful  
(saying it again)

##### Learning Journals:

✓ Week 4 - it's a good idea  
that our names were  
left out; especially since  
you asked us to rip into you.

✓ Each Learning Journal is easy  
to follow

### deb's Feedback

#### Improvement:

##### Learning Journals

Reverse Learning Journal  
Order

#### Positive:

There are three parts to assessment task 2.

- 2a) Prepare feedback for at least 3 peers on their e-portfolios. Comment on evidence of each students' readiness to learn in the workplace, and evidence activity to get connected with industry.

Peer #1 name: Nicholas Georgiou

1. Which of the following sections has this peer completed?

☐ workplace health and safety ☐ ethics ☐ SMART workplan ☐ working with a supervisor ☒  
more critical incident journals/photo journal entries since assessment 1

2. What is your feedback to this peer?

a) Positive

Great mentor quotes

Constructive criticism "rip into me"

Quotes in journals

Photos

Increases capacity  
to engage with  
employer

b) Improve Atlasian - Did you work here? or wish to...  
How do they relate to you?

c) Anticipated positive results

Continue on same trajectory

Be specific in internship.

**Peer #1 name: Nicholas**

*1. Which of the following sections has this peer completed?*

☐ workplace health and safety ☐ ethics ☐ SMART workplan ☐ working with a supervisor ☐ more critical incident journals/photo journal entries since assessment 1

*2. What is your feedback to this peer?*

a) Positive

- Your Job advertisement Analysis is great
- Your learning journals are in great detail and is eloquently broken down to different journals

b) Improve

- You can include few minor things such as, maybe talking in detail which skills you will require for the job analysis
- Maybe do it from week 1- week 2

c) Anticipated positive results

- Since, there were exams, its understandable that you couldn't get much done. But overall what has been completed is amazing and is moving towards competitive e-portfolio
